Haryana PWD (B&R) Branch.
2. All the Executive Engineers,
Haryana PWD (B&R) Branch.

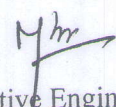

Memo No. 201-R-15/ 738-813 /RI

Dated: 13-2-15

Subject: - Regarding issue of LOC for bitumen.

It has been noticed that field offices are submitting demand of LOC for purchase of bitumen in excess to the provisions of Annual Maintenance estimates of current financial year. It may perhaps be due to the reason that roads could not have been repaired within the provisions of Annual Maintenance i.e. norms have been exceeded. In such case it is advised to submit Special Repair Estimate of patch work for the year 2014-15. It may be noted that being special repair estimate details of patch work be given in the estimates.
